

The Renewal: Restoring America's Founding Covenant Talking Points

GOAL: Encourage people to attend and watch The Renewal on Saturday, January 8, 2022, at the Strawberry Festival Amphitheater in Plant City, Florida.

AUDIENCE: People who attended or watched The Return: National and Global Day of Prayer and Repentance on September 26, 2020, in Washington, D.C., and those who believe America is in a spiritual battle for the soul of the nation.

KEY TAKEAWAY: The Renewal: Restoring America's Founding Covenant is the next step after The Return, an end-time movement with one purpose – the return to God – individually, corporately, nationally, globally – and the end-goal of world revival. Help us spread the word.

FOUR SUPPORTING POINTS

- 1) The Need: Only two nations have been tied together by covenants with God throughout history.**
 - God made a covenant with Israel, but America made a covenant with God.
 - The Pilgrims dedicated America to God “for the advancements of the Christian faith” in the Mayflower Compact, but America has broken this covenant, bringing this once blessed nation under the judgments of God.

- In response, The Renewal is a spiritual solution to a nation in crisis. This battle must be won in the spiritual realm lead by God. So, we must pray, then take a step of bold faith to re-establish America's covenant with God and plead for His mercy as we seek to restore our foundational values based on God's Word.

2) The Program: Faith leaders will share about America's history, its spiritual foundations, and the importance of its covenant with God.

- The participants include The Return Co-Founder Rev. Kevin Jessip, Defending the Republic Founder Sidney Powell, *New York Times* bestselling author Rabbi Jonathan Cahn, MyPillow CEO Mike Lindell, Times Square Church General Overseer Carter Conlon, Regeneration Nashville Pastor Kent Christmas, former Congresswoman Michele Bachmann, Lt. Gen. William "Jerry" Boykin, and many others.
- The Renewal is not a political event. The Renewal is a spiritual solution to the current state of affairs in the land. Re-covenanting and reconciliation combine to be the next biblical step in the five-step renewal process (Repentance, Reconciliation, Restoration, Revival, Reformation) for the faithful remnant to usher in the mercy of the Lord.
- The Renewal is part of a global movement of prayer and repentance spreading to all continents. It began September 26, 2020, in Washington, D.C. with The Return. An estimated 250,000 people attended the gathering and about 42 million watched it on television or via simulcast in 180 nations in 90 languages.
- Based on the biblical template, The Renewal is the next step after The Return. It started with The Return with repentance, now we're going through reconciliation and restoration, which is renewing the covenant we broke with God. The fires, plagues, floods, and everything we are seeing are no different than the redemptive judgments ancient Egypt experienced. After this renewal step, we believe the revival is coming.
- The date of The Renewal – January 8 – is based off Exodus 1:8 and Deuteronomy 1:8, verses in which God instructed the ancient Hebrews, after suffering oppression in Egypt and wandering in the desert for 40 years, to take possession of the Promised Land.

3) The Problem: America is at a critical turning point in history. It has forgotten its heritage, values, morality, integrity, and the eternal rules of order and right.

- This nation was founded upon the Word of God that the Pilgrims brought to America aboard the Mayflower and embedded in the Mayflower Compact. The United States' governing documents – the Declaration of Independence, U.S. Constitution and Bill of Rights – all echoed the voice of the Creator, but America, as a nation, has turned away from God.
- Is there a time when the “cup of iniquity” gets so full that America comes to an end? Are we at the point when God lifts His hand of protection and permits judgment?
- Based on the biblical template, the “fullness of America” will arrive when four events converge, as evangelist Perry Stone shared in his latest book, *America's Apocalyptic Reset*.
 - God's sovereign purpose for the nation has been completed.
 - The inhabitants of the land reject the Bible and its principles.
 - People in the nation no longer repent and harden their hearts to the truth.
 - Abominations become legal and acceptable laws to the majority of the people.
- America may not be destroyed or cease to exist, but when national sin and rejection of God's laws persist, according to the pattern in ancient Israel, the following will happen:
 - God will permit the nation to be ruled by bad leaders.
 - God will permit strangers to rise higher than His people.
 - God will not deliver us from those who hate us.
 - God will allow economic challenges.
 - God will lift His hand of protection to allow natural disasters to take place.
- The purpose of such distress is to lead people to repentance because only repentant men and women can enter heaven.
- In a nutshell, America's “cup of iniquity” is so full that its teetering on the edge, and the things that happened in ancient Israel before its destruction are now happening in America, including plagues.

4) The Renewal Comes Amid Historic Anniversaries

- On November 25, Americans celebrated the 400th anniversary of the first Thanksgiving, so we will renew the covenant that the Pilgrims made with God in the Mayflower Compact, which was drafted, ‘In the name of God, Amen.’

- The Renewal comes amid the 49th anniversary of the landmark U.S. Supreme Court decision, Roe v. Wade, on January 22, 1973, that legalized abortion in America. So, we are going into the 50th year, a Jubilee time, a Shemitah year, and we believe we will be successful in overturning Roe v. Wade.
- The Renewal is not about abortion; it is about re-covenanting with God, but one thing we must do is end abortion. Number two is the sanctity of marriage. We must redefine that biblical marriage is between a man and a woman. We also need to return prayer and Bible reading to our educational systems and proudly display and teach the Ten Commandments.
